White House Only Probing Russian Hacking Because Clinton Lost, Trump Says

The Obama White House and Democrats are only investigating and talking about alleged Russian hacking intended to influence the U.S. election because Hillary Clinton lost, President-elect Donald Trump charged Thursday.

Trump Officially Taps Zinke for Interior Secretary

Montana Republican Rep. Ryan Zinke, a geologist and former Navy SEAL, is President-elect Donald Trump's choice for Secretary of the Interior, the transition team announced Thursday.

Cuellar: Trump's Wall is 14th Century Solution

Rep. Henry Cuellar, D-Texas, said Wednesday that a "virtual border" would be more effective than the wall that President-elect Donald Trump wants to build on the U.S.-Mexico border.

Donald Trump: Celebrity in Chief

To win this year's presidential election, Donald Trump didn't need to get much support from celebrities — he was the celebrity himself.

Graham Says Russia Hacked His Campaign

Sen. Lindsey Graham, R-S.C., said his campaign account was hacked by Russia earlier this year and that Russia should be punished for interfering in U.S. elections.

The Certainty of Death, Taxes, and White Evangelicals

As the electorate evolves with each election cycle because of changing demographics, there is one constant: white evangelicals. Once again, they made up one-quarter of the electorate and voted heavily for the Republican presidential nominee.

Inside Man: Pence Emerging as ‘the Key’ to Trump’s Agenda

President-elect Donald Trump has seldom ventured beyond his midtown Manhattan tower since winning the election, delegating responsibilities in Washington to Vice President-elect Mike Pence in what experts say likely is a preview of the next four years.
